

Help to bring a smile to patients  
and our community this Christmas...

# CHRISTMAS GIVING TREE

We would like to donate as many gifts as possible to the elderly people that will spend their Christmas in Ipswich hospital, a large majority of them will not have any visitors over the festive season.

Either a gift suitable for an elderly lady or gentleman or a money donation to be handed into your tutor.

If each student donated 50p we would be able to buy two gifts from each tutor group.

Mrs Jacobs from the LRC and some student volunteers will visit the hospital on 2<sup>nd</sup> December to present the gifts to the charity.

Please could you have any donations of gifts or monies to your tutor by Tutor Time

**Friday 25<sup>th</sup> November**

*Thank You*
