An excellent effort on Friday!

Well done to all those students and staff who baked, brought, bought and helped sell cakes at break.

A winning cake has been chosen by the Principal for each House and these will be announced when their makers have been identified!

A 5th cake winning cake was chosen (pictured bottom row left of centre) which was the cake raffled off to staff. It belonged to Nightingale and helped nudge them into 1st place. Congratulations and thank you to Jonathan Burrows who won it.
