### **Maths**

Work is available on Sparx Maths, students should complete any compulsory learning first and then work through xp boost and target work.

To login into Sparx Maths click the orange log in with Microsoft button, using your school email address and password.

Contact your maths teacher by email if you have any problems.

### **Science**

There are a series of lessons for you to work through during your time self-isolating. You should work through the lessons based on the unit you are covering in class at present. Email your class teacher if you are unsure.

Use the following link <https://continuityoak.org.uk/lessons>

Select 'KS3 Science' and choose from the units on 'light and space', electricity and magnetism', cells, tissues and organs' or 'materials and the Earth'.

**Geography****Development**

Go to the following website and complete Unit 3 – Development. There are 10 lessons for you to watch and complete the tasks for. <https://continuityoak.org.uk/lessons>

**World of Work**

Go to the following website and complete Unit 5 – World of Work. There are 11 lessons for you to watch and complete the tasks for. <https://continuityoak.org.uk/lessons>

**History**

Work through the six lessons titled: Why did kings struggle to rule medieval England? The links and videos can be found at: <https://classroom.thenational.academy/units/why-did-kings-struggle-to-rule-england-1f64>

**MFL**

Use the school's Linguascope account (**username = westbourne; password = homework 1**) to practise the skills you are learning this half term:

Select 'Beginner' and do any of the games and activities under the Red tab (Las bases / the basics) and the Green tab (Mi familia y yo / My family and I). There is an 'End of Unit' test for each section. If you prefer to, you can also choose the 'Elementary' section and do any of the activities there.

**Art**

TASK 1: Watch this video on how to create a relief sculpture.

Link: <https://www.youtube.com/watch?v=vzw04m46K0U>

What inspires you? Could it be something that you have a go at? Could you research the artist Frank Stella and find out what inspired him to create his work?

TASK 2: Watch this video on Kandinsky

Link: <https://www.youtube.com/watch?v=R6nZjVNaJLg>

**The video should be about 'Explore shapes and colours with Kandinsky'.**

Now that you know a bit more about him and building upon your prior learning, have a go at creating a more detailed abstract piece of work.

**Computing**

Scratch Game Design Challenge: Design a computer game that can be played in Scratch.

Consider:

- The Hero
- The Villain
- Where it is set
- How you win?
- How you lose?
- How you score points?

If you do not have a computer then your designs can be completed on paper. If you have access to <https://scratch.mit.edu/>. Try and create your game in Scratch.

**Drama**

Positions on stage:

1. Watch <http://youtu.be/TowLHF1s3sw>. Draw and label your own stage with the nine stage positions.
2. A monologue is a solo speech by an actor on stage or in a film. Write your own monologue and choose one of the following starting lines: 'This has been the best day ever...' **or** 'I'm so excited about tomorrow..'
3. Video yourself performing the monologue and send it to your teacher by email.
4. Practice your key Drama word spellings.

**DT**

1. Read through and revise the section on the link that best matches the unit you are currently studying. Eg wood and timber, textiles and fabrics

2. Create a revision poster based on the information that you have read about. Email your poster to your DT teachers.
