

The following work has been provided for you because you are working at home due to long term authorised absence during the term listed above.

You should complete the activities below. We do not expect you to submit the work and you shouldn't work for more than 4 hours a day. You may wish to follow your timetable to guide you. Any questions please email your teacher.

Please be aware that over time links may become inactive. If you discover that one of the links does not work please contact your teacher to let them know.

### **English**

Work through the 'Annie John' lessons here:

<https://classroom.thenational.academy/units/annie-john-by-jamaica-kincaid-c5ab>

### **Maths**

Work is available on Sparx Maths, students should complete any compulsory learning first and then work through xp boost and target work.

To login into Sparx Maths click the orange log in with Microsoft button, using your school email address and password.

Contact your maths teacher by email if you have any problems.

### **Science**

There are a series of lessons for you to work through during your time self-isolating. You should work through the lessons based on the unit you are covering in class at present. Email your class teacher if you are unsure.

Use the following link <https://continuityoak.org.uk/lessons>

Select 'KS3 Science' and choose from the units on 'plants and photosynthesis', 'matter' or 'forces in action'.

### **Geography**

#### **Tectonics**

Go to the following website and complete Unit 4 – Tectonics. There are 14 lessons for you to watch and complete the tasks for. <https://continuityoak.org.uk/lessons>

#### **Geography of Africa**

Go to the following website and complete Unit 6 – Geography of Africa. There are 11 lessons for you to watch and complete the tasks for. <https://continuityoak.org.uk/lessons>

**History**

Work through the six lesson unit titled: In what ways was Britain turned upside down in the seventeenth century?

Lesson videos and tasks for each lesson can be found at:

<https://classroom.thenational.academy/units/in-what-ways-was-britain-turned-upside-down-in-the-seventeenth-century-7e87>

**MFL**

Use the school's Linguascope account (**username = westbourne; password = homework 1**) to practise the skills you are learning this half term:

Select 'Beginner' and do any of the games and activities under the Purple tab (Mi mundo / My world). There is an 'End of Unit' test for each section. If you prefer to, you can also review the basics from the Year 7 section above or push yourself by choosing the 'Intermediate' section.

**Art**

TASK 1: Watch this video about recycled Art. Link:

<https://www.youtube.com/watch?v=6lZmGILG7ak>

What is recycled Art?

- Why is it important?
- Is there a specific message behind those types of Artwork?

TASK 2: Create an animal 3D sculpture using recycled materials.

- Use any available materials that you can find around the house! It could be a milk bottle, old buttons, fabric etc.

**Computing**

Please email the team leader for Computing – Mr Melton at: [William.Melton@attrust.org.uk](mailto:William.Melton@attrust.org.uk) for your work.

**Drama**

Positions on stage:

1. Watch <http://youtu.be/TowLHF1s3sw>. Draw and label your own stage with the nine stage positions.
2. A monologue is a solo speech by and actor on stage or in a film. Write your own monologue and choose one of the following starting lines: 'This has been the best day ever...' **or** 'I'm so excited about tomorrow..'
3. Video yourself performing the monologue and send it to your teacher by email.
4. Practice your key Drama word spellings.

**DT**

1. Read through and revise the section on the link that best matches the unit you are currently studying. Eg wood and timber, textiles and fabrics

2. Create a revision poster based on the information that you have read about. Email your poster to your DT teachers.

Papers, boards and design
