

Uniform Standards

“BEING SMART”

Uniform helps people feel they belong and are part of a community.

We believe that our students thrive when expectations are high. The smart appearance of our students reflects the academy's ethos and helps to create the right learning culture for students to reach their academic and personal potential. We expect students to take pride in their uniform and to arrive to school in possession of the right equipment and home learning.

Not only is our uniform made from quality materials that are machine washable and hard wearing, it is cost effective and easily accessible.

SANCTIONS

Students' uniform, equipment and appearance is regularly monitored to ensure they are adequately prepared for learning. Students not following uniform rules will be sent to the House Pastoral Lead to rectify the issue. Repeated equipment/uniform infringements will be recorded, parents will be contacted and sanctions will be put in place.

Handheld devices such as mobile phones, smart watches, bluetooth speakers and associated accessories are not allowed to be used by students whilst on the premises. They must be kept switched off and out of sight at all times, including headphones. Any use of mobiles is prohibited in school, this includes using it as a calculator or to check the time. If a student is seen with a mobile phone at the academy, it will be confiscated and parents will be contacted and asked to collect the device from Reception.

Students and parents are reminded that valuable items should not be brought into the academy.

ACADEMY UNIFORM: CHARCOAL GREY TROUSERS

The academy uniform requires that students wear charcoal grey trousers (dark grey). Having visited a range of shops and websites, it is clear that retailers can be misleading when they sell school trousers. They advertise 'school trousers', when it is clear that the style is not appropriate for school wear.

Rather than increase the financial burden on some parents by insisting that trousers must be purchased from PMG School Wear, we have decided to give parents/carers more guidance on where they can purchase suitable school trousers, from a range of high street retailers. You can find further information on our website on the PARENTS/UNIFORM page.

PMG School Wear in Ipswich stock the preferred colour and cut of school trousers.

When choosing to purchase your child's school trousers from a different supplier, please ensure that the side hem at the bottom of the leg measures at least 17cm wide on each side and the fabric is cotton/polyester. If you are ever unsure whether you are purchasing suitable trousers, always ask, to avoid a wasted purchase.

This picture shows the correct place to take the bottom hem side width measurement

Uniform items without logos such as shoes, socks, trousers and shirts may be bought from shops that sell school uniform. Please take care to ensure such items conform to our academy colours and styles. As a guideline, here are some examples of the sorts of styles which are permitted and those which are not. This is not an exhaustive list and if you are in any doubt, please ask for clarification from your child's Pastoral lead. Shoes must be black and the uppers should be of a leather-look, i.e. not canvas.

Westbourne Academy is a multicultural community with people of all faiths and many of our students wear head coverings for religious reasons and through personal choice. Should your child wish to wear these items, we ask that they are plain, navy blue or black.
