

Dear Parents and Carers

Unfortunately, at times we have to close the academy. This, however, does not mean that our students should miss out on any learning. This document will share where students can find resources.

### Step 1:

Check what subject you might be missing by checking your timetable – you can do this on your Satchel One App or checking on the Satchel One website (see attached guide for logging on).

### Step 2:

#### Option 1:

Access this page on the school website:

<https://www.westbourne.attrust.org.uk/students/home-learning/>

Scroll down to: **“Authorised Absence & in the Event the Academy is Forced to Close”**

Here you will be able to access work by subject and year group that should match what your child would be studying at the Academy.

#### Option 2:

Check the learning journey for your subject on the website here: - [Subject Pages](#) – select the subject you need – scroll down until you find a link to a document that mentions journey – eg:

#### Curriculum:

[KS3 Westbourne Journey Geography](#)

Find the topic you would be studying on the journey – or pick one that might be coming up. Find a resource using one of the websites below.

## What resources are available online?

### Key Stage 3:

Satchel One - <https://www.satchelone.com/>

The Oak Academy - <https://www.thenational.academy/pupils/years>

Sparx maths - <https://sparxmaths.com/>

### Key Stage 4:

Sharepoint – Access School resources organised by your teachers -

<https://academytransformation.sharepoint.com/sites/WestbourneAcademy/SitePages/Learning%20Resources.aspx>

GCSE Pod – <https://members.gcsepod.com/login/> - remember to select login with office 365 and use your school login.

Seneca - <https://app.senecalearning.com/login> - remember to login with ‘continue with Microsoft’.

Satchel One - <https://www.satchelone.com/>

The Oak Academy - <https://www.thenational.academy/pupils/years>

Sparx Maths - <https://sparxmaths.com/>
