

Year 10 Maths PRE Revision Information

Revision topics- BOTH PAPERS

Topic	Clip
Reflections	48
Rotations	49
Translations	50
Plans and elevations	51
Frequency trees	57
Two way tables	61
Averages	62
Using a calculator	77
Standard Form	83
Equivalence	85
Factorising expressions	94
Exchange rates	105
Surface area	114
Alternate and corresponding angles	120
Interior and exterior angles	123
Bearings	124
Scatter graphs	129
Expand and simplify	134
Expand double brackets	134
Rearranging Formulae	136
Compound measures	142
Distance time graphs	143
Similar shapes	144
Pythagoras	150
Factorising quadratics	157
Simultaneous equations	162
Congruence	166

Password:firstname.lastname@westbourne

Higher	
Cumulative frequency	186
Boxplots	187
Similarity - area and volume	201
Histograms	205
Pythagoras 3D	217
Enlargement (negative sf)	181
Proportion (Direct/Inverse)	199
Functions	214a
Circle Theorems	183
Surds	207
Quadratic Formulae	191
Rearranging	190
Parallel and Perpendicular	208

Trigonometry - angles	173
Vectors	174
Volume	115; 119; 169
Circles	116; 117; 118
Probability from a table	125; 126; 164
Venn Diagrams	127; 185
Linear equations	137; 139
Inequalities	138; 139
Enlargements	148
Probability tree diagrams	151; 175
Trigonometry - sides	168; 173
Best value	22; 41
Sequences nth term	37; 102; 103; 104
Proportion	42; 106
Frequency polygons and charts	65; 128
Averages from Tables	65; 130
Product of Prime factors	78; 79; 80
Index laws	82; 131; 154
Percentages	85; 86; 87; 88; 89; 108; 109; 110; 111; 164
Estimation	90; 91
Straight line graphs	96; 97; 159
Cubic and quadratic graphs	98; 161
